

PowerPoint for Business

Get comfortable with PowerPoint essentials, from formatting text and visuals to delivering a presentation. By the end of this course, you'll know how to create and edit PowerPoint files, add and adjust different types of content (photos, icons, tables, charts, shapes and more) and how to present to an audience that's in-person or online.

Group classes in NYC and onsite training is available for this course. For more information, email contact@nyimtraining.com or visit: <https://training-nyc.com/courses/beginner-powerpoint-classes>
